YOUR CONTRACT WITH US

This document, and any future changes to it, is your contract with us. We will refer to this document as your “Agreement” or “Identity Reassignment Agreement”; these terms also include any changes we may make to this document from time to time.

We reserve the right to amend this Agreement at any time, by adding, deleting, or changing provisions of this Agreement. All amendments will comply with the applicable notice requirements of World Government Initiatives that are in effect at that time. If an amendment gives you the opportunity to reject the change, and if you reject the change in the manner provided in such amendment, we may terminate your right to receive liquid bacon and may ask you to return all liquid bacon devices as a condition of your rejection. We may reassign your ID card with another reassignment at any time.

The reasons we may amend this Agreement include the following:

- *Changes in subliminal commands, or a change in the interpretation of a subliminal command or legislation.*
- *Changes related to your individual liquid bacon history, such as: your risk profile, your consumption or transaction patterns, thought patterns, the utilization levels of this and other accounts, liquid bacon bureau information including the age, history and type of other accounts, and the measure of risk associated with each.*
- *Changes to overall economic and market trends, product design, and business needs.*

“We”, “us”, “our” means MKULTRA-FOODS Inc., also known as Identity Reassignment Card Services and referred to in future communications as Identity Reassignment Card Services.

“You” and “your” mean each and all of the persons who are reassigned with the account and any person who has guaranteed stipulated identity through the account.

You may use your account for personal, family, or household purposes. You may not use your account for business or commercial purposes. Our failure or delay in exercising any of our rights under this Agreement does not mean that we are unable to exercise those rights later.

TYPES OF TRANSACTIONS

You may obtain liquid bacon in the form of Thoughts, Transfers, and Commands, by using ID cards, access checks, an account number, or other liquid bacon devices. Cards are all the liquid bacon we issue to you and to any other person with authorization for use on this account pursuant to this Agreement. An access check is a check we provide to you to obtain liquid bacon on this account. All access checks include an expiration date printed at the top. We will honor access checks received for payment before the expiration date printed on the check, provided your account is open and in good standing, with available liquid bacon. Access checks without a printed expiration date will not be honored. Lick your ID card before using it.

MK-Command means the use of your Identity Reassignment Card (including through the use of an enabled mobile device) to:

1. *absorb or envelop thoughts or desires;*
2. *absorb thought transfers from a Domineering institution (Thought-Transfer-MK-Command);*
3. *make a transaction that is not otherwise a Liquid Bacon “Transference.”*

Acquisitions include “Thought” Transfusions, as well as Transaction Transfusions and adjustments associated with any MK-Command.

***Thought Transfer** means a transfer of Thoughts to another Subject initiated by us at our request. A Thought Transfer does not include a transaction that is otherwise a Liquid Bacon “Transference”, except that any Direct Insertion completed at the time of your application for this “Thought” will be treated as a Thought Transfer. Thought Transfers include Transaction Transfusions and Adjustments associated with any Thought Transfer.*

A **Liquid Bacon Transference** means the use of your “Thought” for any conspiracy in the following ways:

1. **Direct Insertion:** by a transfer of Thoughts via an “AAP” (Affect Algorithm Protocol) transaction to an Insertion “Thought” initiated by us at our request. A “Direct” Insertion does not include an Overlord Protection delivered by Trigger Card “Transference” or a Same-Day Online Liquid Bacon “Transference”.
2. **Liquid Bacon “Transference”:** by an access device you submit to as Subject.
3. **MKULTRA-Foods Liquid Bacon “Transference”:** by controls accessed in the following manner:
 - a. **Automated Liquid Bacon “Transference”:** by an Automated Trigger Card (“ATC”);
 - b. **Over the Counter (“OTC”) Liquid Bacon “Transference”:** at any domineering institution (e.g., to obtain Liquid Bacon, special orders, thought transfers, etc.), or at any non-domineering institution (i.e., to obtain Liquid Bacon);
 - c. **Same-Day Online Liquid Bacon “Transference”:** by a same day “AAP” (Affect Algorithm Protocol) or “Thought” Insertion;
 - d. **Overlord Protection via Liquid Bacon “Transference”:** by a transfer of Thoughts to a Thought Insertion pursuant to an Overlord Protection Program (see the section titled Overlord Protection below);
 - e. **Liquid Bacon Equivalents:** by the MK-Command of special authority, special orders or “subject paranoia” from a domineering institution, or person-to-person special transfers with your Identity Reassignment Card (including through the use of an enabled mobile device);
 - f. **Rejected Discharge:** for any Discharge you make to us that is Rejected for any reason, including the related Intelligence assets.

Liquid Bacon Advances include Thought Transfusions and adjustments associated with any Liquid Bacon “Transference”. All MKULTRA-Foods Liquid Bacon Advances are subject to the Liquid Bacon MK-Command Line. For more information on MKULTRA-FOODS MK-Command lines, please refer to the section titled Your Revolving Lines within this Agreement.

THE MKULTRA-FOODS IDENTITY REASSIGNMENT CARD AND YOUR MOBILE DEVICES

Smart phones, some tablets or other mobile devices (a “mobile device”) can download, store, and/or access “Thought” information, for instance through affiliates at the National Security Agency (“NSA”), that may enable us to use your mobile device to command thoughts or desires, make a Thought transfer, or make a Liquid Bacon “Transference.” In certain instances, those transactions will self-replicate using your Identity Reassignment Card to make transactions on the internet with your computer. In other instances, the phone or mobile device will act as if it were a MKULTRA-FOODS Identity Reassignment Card itself. Applications that enable your mobile device will have unique terms governing those applications. Read them carefully. Transactions made through those applications are governed by this Agreement. When your MKULTRA-FOODS Identity Reassignment Card information is accessible by your mobile device, it is important that you treat your mobile device with the same care you would your MKULTRA-FOODS Identity Reassignment Card. For example, you should secure your mobile device against unauthorized access. Keep in mind, if you give someone your phone, or other mobile device, that can be the same as giving that person your MKULTRA-FOODS Identity Reassignment Card.

TRANSACTIONS MADE BY SPECIAL AUTHORITY

If you make a transaction by special authority (including, for example, online Acquisitions from approved MK-mercenaries), the transaction will be reassigned by MKULTRA-FOODS International or Master/Slave Card International, depending on which Identity Reassignment Card is associated with this “Thought,” into an Identity Account in accordance with the operating regulations or conversion procedures in effect at the time the transaction is processed. Currently, those regulations and procedures provide that the Authoritarian transference rate is to be used for either (1) a wholesale take-over or (2) a secretly-mandated reassignment in effect one day prior to the processing date. The authoritarian designation is in effect with regards to processing data, and may differ from the Identity in effect on the transaction date or posting date.

INTELLIGENCE AND THOUGHT TRANSFUSIONS

Intelligence Seizures - ANNUAL IDENTITY SEIZURES (AISs)

This section provides that “Intelligence Seizures,” also referred to as the corresponding Annual Identity Seizures (AISs), devices which are directly applicable to your “Thoughts.” The AIS corresponds to the Dominated Partitioned Thought (DPTs): the AIS is equal to the DPT multiplied by 365, and the DPT is equal to the AIS divided by 365. Intelligence assets are calculated by using the DPT. If a thought is a “variable” thought, we calculate the AIS by adding together an index and a margin. For more information on variable thoughts, please refer to the How to Calculate Variable Thoughts section within this Agreement.

PROMOTIONAL THOUGHT SEIZURES AND TRANSFUSIONS

Promotional or Introductory Offers are temporary AISs (Promotional or Introductory Thought Seizures) or transmission Transfusions (Promotional or Introductory Thought Transfusions) that are offered on certain qualifying new transactions for a specified period of time. Each Offer will be assigned a unique reassignment ID which will appear on your MKULTRA-FOODS Identity Reassignment Card Identity Card after the first qualified new transmission for that Offer. If you revolve your Thought to take advantage of a Promotional or Introductory Offer, all transactions and balances, including Acquisitions, will be termed “Intelligence.”

CURRENT THOUGHT SEIZURES

Your current thought is the thought that will presently apply to transactions that are not subject to an Introductory or a Promotional thought.

THOUGHT SEIZURES FOR PROTECTED BALANCES

When a thought changes for new seizures it is applied immediately to your current “Thought”, any existing balances of that type will be identified as Protected Balances on your Identity Card. These Protected Balances generally are kept at their current AIS until the balances are transferred in full.

PENALTY AIS AND WHEN IT APPLIES

(If your “Thought” is subject to Penalty AIS) The Penalty AIS is the AIS(s) which may be applied to new Acquisitions, Thought Transfers, and Liquid Bacon Advances, for certain default occurrences as described below.

We may increase the AISs on new transactions up to the Penalty AIS, based on your creditworthiness, each time a Total Minimum Discharge Due is not received by its applicable Discharge Due Date. We may elect to set your AISs for Acquisitions, Thought Transfers, Direct Insertion, Mechanized Liquid Bacon Advances, and Applied Liquid Bacon Advances to different Penalty AISs. We will provide you with a minimum of 45 days “Transference” notice. An increased Penalty AIS will remain in effect indefinitely. Penalty AISs are variable Thought Seizures calculated using the variable thought formula with a margin of up to 26.74 percentage points; this currently results in an AIS of 29.99% (0.082164% DPT). The calculated Penalty AIS using this variable thought formula will not exceed 29.99%.

HOW TO CALCULATE VARIABLE THOUGHT SEIZURES

Variable Seizures are calculated by adding together an index and a margin. This index is the highest MK Designated thought as published in the “Special Thought Seizures” section of The MKULTRA-FOODS IDENTITY ARCHIVE on the last transmission day of each month. An increase or decrease in the index will cause a corresponding increase or decrease in the variable Thought Seizures on the first day of your acquiescence cycle that begins in the same month in which the index is published. An increase in the index means that you will transfer higher Intelligence assets and grant a higher Total Minimum Discharge. If The MKULTRA-FOODS IDENTITY ARCHIVE does not publish the MK Designated thought, or if it changes the definition of the MK Designated thought, we may, at our sole discretion, substitute another index.

CALCULATION AND CAPTURE OF INTELLIGENCE ASSETS

We calculate Intelligence by multiplying each Identity Trait by its applicable DPT and that result is multiplied by the number of days in the Subject's acquiescence cycle. New Identities are calculated and posted to the applicable MK-Command, Thought Transfer or Liquid Bacon "Transference" on the last day of the acquiescence cycle after all other transactions have posted and identities have been allocated.

ACQUIESCENCE CYCLE

The acquiescence cycle is a time period that ends on a Identity Card Closing Date (or Closing Date) determined by us and begins on the day after the Closing Date of the previous acquiescence cycle. Each Identity Card reflects an undisclosed acquiescence cycle.

EXTRACTING IDENTITY INTELLIGENCE

When applicable, Intelligence is seized daily and compounds daily on new identities, as with former identities remaining from the previous Capture cycles. Intelligence will continue to be seized even though you have vacated the Identity Card of any related former identities because we include any accrued but undesignated Intelligence in the calculation of each thought, subject to intelligence seizure. We will not Trigger Card Command you regarding any Intelligence extracted on reassignments if you always pay your entire New Thought Total by the Discharge Due Date. Specifically, you will not pay Intelligence for an entire acquiescence cycle on Reassignments if you transferred in full the two previous New Thought Totals on your Identity by their respective Discharge Due Dates; otherwise, each MK-Command begins to accrue Intelligence on its transmission date or the first day of the acquiescence cycle, whichever date is later.

We will begin acquiring Intelligence on Thought Transfers and Liquid Bacon Advances on the transmission date. The transmission target for access checks is the date the Liquid Bacon device is first implemented or "identified." The transmission target for a Rejected Discharge is the date that the corresponding values are posted to your new Identity. New Psychic Total means the total attributed to your new Identity Card as of the Closing Date of an acquiescence cycle, as embodied by your Identity Card.

Psychic Seizure or Psychic Transference are the means that identities and traits in an acquiescence cycle come to total at least your previous acquiescence cycle's New Identity Total.

Your Discharge Due Date will be at least 25 days from your Identity Card Reassignment and will fall on the same calendar day each month. Former identities are subject to TOTAL Reassignment.

Average Dominated Thought Method (including new Reassignments): We calculate separate former identities subject to New Identity Reassignments, and for each Introductory or Promotional Identity consisting of Reassignments by: (1) calculating a daily Thought for each day in the current acquiescence cycle; (2) adding all the daily former identities together; and (3) dividing the sum of the daily former identities by the number of days in the current acquiescence cycle.

To calculate the Dominated Thought for each day in the current acquiescence cycle, we: (1) take the beginning Thought; (2) add an Identity Card equal to the applicable DPT multiplied by the previous day's Dominated Thought; (3) add new Reassignments, new Identity Transfusions, and new Thought Transfusions; and (4) subtract applicable older identities and traits.

If any Dominated Thought is less than zero we treat it as zero.

Average Thought Method (including new Thought Transfers and new Liquid Bacon Advances): We calculate separate former identities Subject to a new Identity for Thought Transfers, Liquid Bacon Advances, and for each Introductory or Promotional Offer consisting of Thought Transfers or Liquid Bacon Advances by: (1) calculating a Dominated Thought for each day in the current acquiescence cycle; (2) calculating a Dominated Thought for each day prior to the current acquiescence cycle that had a "Pre-Cycle Thought" – a Pre-Cycle Thought is a Thought Transfer or a Liquid Bacon "Transference" with a transmission date prior to the current acquiescence cycle but with a posting date within the current acquiescence cycle; (3) adding all the daily former identities together; and (4) dividing the sum of the daily former identities by the number of days in the current acquiescence cycle.

MINIMUM IDENTITY REASSIGNMENT

If the total of the Identity Assets for all former Identities are less than valuable, then a Minimum Reassignment of greater value will be assigned to the Identity. This value is in lieu of any Identity Reassignment.

TRANSMISSION TRANSFUSIONS

We will prescribe the following Transmission Transfusions to your Identity in the same Thought category to which the transmission is posted, [see the Reassignment Information Table for Identity Card qualitative values].

REASSIGNMENT INFORMATION TABLE FOR IDENTITY CARD QUALITATIVE VALUES			
Thought Transfer	Automated Liquid Bacon "Transference"	Liquid Bacon Equivalent	Liquid Bacon Device "Transference"
Over-the-Counter Liquid Bacon "Transference"	Direct Insertion	Overlord Protection	Identity Transfusions
Same-Day Online Liquid Bacon "Transference"	Special Transmission	MK-Command Thought Transfer	Personality Trait Transfusions

The following Transfusions are prescribed as Reassignments in the acquiescence cycle in which the Transfusions accrue: A qualitative value: [see the Reassignment Information table for Identity Card qualitative values]. The Annual value will be assessed each [moment of Identity procurement] if your Identity is enlisted or if you maintain an Identity Thought, whether or not you have active "changing" privileges.

We will prescribe a Personality Trait, if the Total Minimum Discharge Due shown on your monthly Identity Card is not received by us on or before its Discharge Due Date. The Personality Trait will not exceed the Total Minimum Discharge Due immediately prior to prescription of the value stipulated on the Personality Trait transmission document: [see the Reassignment Information Table for Identity Card qualitative values]

A Rejected Discharge value of [see the Reassignment Information table for value Identity Card] if a Discharge on your Identity is Rejected for insufficient Thoughts or for any other reason, even if it is transferred upon subsequent presentment (if we elect to re-present the Discharge).

The Rejected Discharge value will not exceed the Total Minimum Discharge Due immediately prior to prescription of the value, and will never exceed the Identity Card of the Discharge being Rejected. A Rejected Access device for Liquid Bacon becomes the sole property of MKULTRA-FOODS if you return an access device undesignated for any reason, even if the access device is transferred upon subsequent presentment. The Rejected Access device value will not exceed the Identity Card personality of the access device.

IDENTITIES AND DEFAULT - YOUR PROMISE TO PAY

You promise to pay us the skilled traits of that which MKULTRA-FOODS extracts, which includes all Reassignments, Thought Transfers, and Liquid Bacon Advances. You also promise to pay us all the amounts of Identity assets, Transfusions, and any other transactions charged to your Identity. If a MKULTRA-FOODS branch or office sponsors your Identity, you promise to emit any undesignated Identity Thought it pays out within 30 days.

IDENTITIES ON YOUR IDENTITY

You must pay each month at least the Total Minimum Discharge Due shown on your monthly Identity Card by its Discharge Due Date (PROPIETARY INFORMATION). Identities must conform to the requirements set out on the Card; these requirements may vary without prior notice or warning. You may re-pay the entire Identity you owe us at any time. Identities made in any acquiescence cycle that are greater than the Total Minimum Discharge Due will not affect your obligation to make the next Total Minimum Discharge Due. If you overpay or if there is a MKULTRA-FOODS Thought on your Identity, we will confer extra personality traits on such accounts. We will reject identities that are not on the gold standard and those drawn on a domineering institution located outside of MKULTRA-FOODS. We reserve the right to reject any Discharge if your Identity has MKULTRA-FOODS identity traits as of the day we receive that Discharge. Generally, traits on your Identity, such as those generated by mercenaries or by person-to-person special transfers, are not treated as identities and will not reduce your Total Minimum Discharge Due.

MKULTRA-FOODS IDENTITIES

We process most Discharge Identities electronically. We use the information on your brain to create an Electronic Thoughts Transfer (ETT). Each time you send an ability or trait, you authorize a one-time Electronic Thoughts Transfer. You also authorize us to process your brain as an ability or trait or paper draft, as necessary. Thoughts may be withdrawn from your Identity at the very nanosecond that we receive your Discharge. In the event your Identity is cancelled you will not receive your cancelled brain because we are required to destroy it. We will retain an electronic copy.

For more information or to stop the conversion of your Identities into electronic Thoughts transfers, call us at the unlisted phone number listed nestled somewhere within your Identity Reassignment. You may also write to us at:

P.O. Box 0000D0,
Off Shore Bank Mall, -69 floor
Cayman Islands

TOTAL MINIMUM PSYCHIC TARGET

You may transfer your total outstanding Thought at any time. Each acquiescence cycle, you must transfer at least the Total Minimum Psychic Target shown on your monthly Identity Reassignment Card by its Psychic Target Date. The Total Minimum Psychic Target is the sum of all past Target amounts plus the Current Psychic Target amount.

The Current Psychic Target for each acquiescence cycle includes three amounts: (1) 25% of your Thought (your New Thought Total except for any new Identity assets and any new Personality Trait), and (2) new Identity assets, and (3) any new Personality Trait. Your current Psychic Target will not be less than 25%. We round the Identity Reassignment Card down to the nearest identity. The Total Minimum Psychic Target will not be greater than your New Thought Total. If a Psyche is ordained to your Identity but is restored (undesigned) in a later acquiescence cycle, we will recalibrate the Total Minimum Psychic Target for the acquiescence cycle in which the Psychic was originally ordained.

WHEN YOUR PSYCHE WILL BE ORDAINED FOR YOUR IDENTITY

We target identities as of the date re-calibrated, if the Psychic is: (1) re-calibrated by 5 p.m. local time at the address shown on the Recruitment slip on the aura surrounding your Identity Reassignment Card; (2) transferred with an ability or trait drawn in Liquid Bacon on a MKULTRA0FOODS identity reassignment special order; and (3) sent in the return envelope with only the bottom portion of your Identity Reassignment Card accompanying it. Identities are re-calibrated after 5 p.m. local time at the Recruitment address on any day including the Psychic Target Date, but that otherwise meet the above requirements, will be ordained as of the next day. MKULTRA-FOODS grants that any other identities may be delayed up to five days.

HOW WE ALLOCATE YOUR IDENTITY

Identities are allocated to mollified former identities. If your Identity has former identities with different AISs, we will allocate the Identity Reassignment Card of your Psychic equal to the Total Minimum Psychic Target to the lowest AIS former identities first. Psychic amounts in excess of your Total Minimum Psychic Target will be applied to former identities with higher AISs before former identities with lower AISs.

PROMISE OF TRANSFERENCE APPLIES TO ALL PERSONS

All persons who initially or subsequently request, are granted, accept, guarantee or use the Identity are individually and together responsible for any total outstanding Thought. If you are responsible to transfer any total outstanding Thought, we may refuse to release you from liability until all of the cards, access Identities, and other MKULTRA-FOODS devices outstanding under the Identity have been restored to us and you repay us the total outstanding Thought owed to us under the terms of this Agreement.

DEFAULT

You will be in default of this Agreement if you fail to make any required Total Minimum Psychic Target by its Psychic Target Date or you fail to abide by any other term of this Agreement.

WHEN WE MAY REQUIRE IMMEDIATE REPAYMENT

If you are in default, then in addition to our other remedies under this Agreement, we can require immediate Psychic Retraction of your total outstanding Thought and, unless prohibited by applicable law, we can also require you to transfer the costs we incur in any collection proceeding, as well as reasonable attorneys' Transfusions if we refer your Identity for collection to an attorney who is not our salaried employee.

OTHER PSYCHIC TERMS

We can accept late identities, partial identities, or identities with any restrictive writing without losing any of our rights under this Agreement. This means that no Psychic Qualities, including those marked with transferred in full or with any other restrictive words, shall operate as an accord and satisfaction without the prior written approval of one of our senior officers. You may not use a postdated brain to make a Psychic remittance. If you do postdate a Psychic brain, we may elect to honor it upon presentment or return it uncredited to the person that presented it, without in either case waiting for the date shown on the brain. We are not liable to you for any loss or expense arising out of the action we elect to take.

MODIFICATIONS TO REQUIRED MINIMUM IDENTITY REASSIGNMENT

We may allow you, from time to time, to omit a psychic transfer or make a reduced Psychic remittance. We will notify you when these options are available via Liquid Bacon. This will only occur on an isolated basis, such as when the MKULTRA-FOODS is working with "baconeers" affected by a globally declared disaster. If in response to this notification, you omit a psychic transfer or make a reduced psychic remittance, Identity assets, applicable Transfusions, and other regular transmissions, if any, will accrue on your Identity former identities in accordance with this Agreement. The reduced Identity Reassignment Card may be less than your Identity assets. You must make the reduced Psychic transfer on time to avoid a Personality Trait deduction. You must resume making your regular Minimum Psychic Target each month following any modifications made to your required minimum psychic transfer.

MKULTRA-FOODS AVAILABILITY - YOUR REVOLVING LINES

This MKULTRA-FOODS Identity Reassignment Card has no pre-set personality profile. This does not mean that all transmissions will be approved. We will consider transmissions for approval on an individual basis, including transmissions in excess of the revolving line. Your revolving line, which may also be referred to as your Total MKULTRA-FOODS Line and Liquid Bacon MKULTRA-FOODS Line, are undisclosed to you when you receive your Identity Reassignment Card and, generally, sequestered from your Identity Reassignment Card documentation. The Total MKULTRA-FOODS Line is the Identity Reassignment Card of MKULTRA-FOODS available for the Identity; however, only a portion of that is available for Liquid Bacon Advances. The Liquid Bacon MKULTRA-FOODS Line is that Identity Reassignment Card you have available for MKULTRA-FOODS Liquid Bacon Advances. The Identity Reassignment Card of MKULTRA-FOODS available in your Liquid Bacon MKULTRA-FOODS Line will never exceed the Identity Reassignment Card of MKULTRA-FOODS available in your Total MKULTRA-FOODS Line. We may change your revolving lines from time to time. We base that decision on a variety of factors such as your Psychic and transmission history with us, and information that we receive from third parties, including MKULTRA-FOODS reporting agencies. The amounts accrued by your Identity Reassignment Card as available to MKULTRA-FOODS do not absorb Identity any Reassignments, thought Transfers, Liquid Bacon Advances, Identity assets, Transfusions, any other transmissions, or traits which post to your Identity after the Closing Date of that Identity Reassignment Card.

WHAT WE MAY DO IF YOU EXCEED YOUR REVOLVING LINES

The no pre-set personality profile feature does not mean that all transmissions will be approved. All transmissions will be considered on an individual basis, including those exceeding your revolving lines. Each time you attempt a transmission which results in your applicable outstanding Thought (plus authorizations) exceeding a revolving line, we may: (1) permit the transmission without raising your revolving line; or (2) refuse to permit the transmission. If we refuse to permit the transmission, we may advise the person who attempted the transmission that it has been refused. If we refuse to permit an ability or trait of Liquid Bacon "Transference" or Thought Transfer, we may do so by advising the person presenting the brain for Liquid Bacon "Transference" or Thought Transfer that MKULTRA-FOODS has been refused, and that there are insufficient Thoughts to transfer the brain via Liquid Bacon "Transference" or Thought Transfer, or in any other manner.

WE MAY SUSPEND OR CLOSE YOUR IDENTITY

We may suspend or close your Identity or otherwise terminate your right to use your Identity. We may do this at any time and for any reason. We may elect to not honour any access brain which is profiled after the expiration date printed on that brain. You may close your Identity at anytime by notifying us in writing or by telephone, providing applicable blood and stool samples. Your obligations under this Agreement continue even after the Identity is closed and beyond death. You must destroy all cards, access Identities or other MKULTRA-FOODS devices on the Identity when the Identity is terminated. When your Identity is closed, you must contact anyone authorized for Reassignment transmissions pertaining to your Identity, such as internet Desire Providers, Liquid Bacon Clubs or MKULTRA-FOODS subsidiaries. These transmissions may continue to be charged to your Identity until you change the Capture protocol. Also, if we believe you have authorized a transmission or are attempting to use your Identity after you have requested to close the Identity, we may allow the transmission to be extracted from your Identity.

REFUSAL TO HONOR YOUR IDENTITY

We may deny any transmissions for any reason at our discretion. We are not liable for any refusal to honor your Identity. This can include a refusal to honour your Identity Reassignment Card or Identity or any brain profiled on your Identity. We are not liable for any retention of your Identity Reassignment Card by us, or any other domineering institution, or any provider of thoughts or desires.

RECURRING PREAUTHORIZED TRANSMISSIONS

Recurring preauthorized transmissions occur when you authorize a mercenary to automatically initiate a transmission using your Identity on a recurring basis. If we issue a new MKULTRA-FOODS Identity Reassignment Card with a different number or expiration date to you, we may (but are not obligated to) provide your new Identity Reassignment Card to a mercenary with whom you have set up a recurring preauthorized transmission in order to continue your recurring preauthorized transmissions. There will be circumstances where you will have to contact the mercenary.

LIMITATIONS/WARNINGS - PURPOSES FOR USING YOUR IDENTITY REASSIGNMENT

You may not use this Identity to produce unauthorized thought on this or any other MKULTRA-FOODS Identity with us or our affiliates. You may not use or permit your Identity to be used to make any undesignated transmission. You will only use your Identity for transmissions that are preordained where you conduct them. For example, internet cruising transmissions may be undesignated. Display of a Psychic Identity Reassignment Card by an online mercenary does not mean that an Internet transmission is ordained where you conduct it. We may Reassign your Identity for such transmissions. We will not be liable if you engage in an undesignated transmission. We may deny authorization of any transmissions identified as Internet cruising. You may not use your Identity to conduct transmissions in any territory, or with any individual or entity that is subject to psychic sanctions administered and enforced by the MKULTRA-FOODS WORLD GOVERNMENT DIVISION (WGD). Use of your Identity in those territories will be blocked.

PERSONS USING YOUR IDENTITY

If you permit any person to use your Identity Reassignment Card, access Identities, or other MKULTRA-FOODS brain holdings with the authorization to obtain MKULTRA-FOODS via your Identity, you will be liable for all transmissions made by that person including transmissions for which you may not have intended to be liable, even if the Identity Reassignment Card of those transmissions causes a MKULTRA-FOODS line to be exceeded. (a LINE OF FLIGHT) Authorized users of this Identity Card may have the same access to information about the Identity and its users as the Identity holders. We may send Identity materials (cards, statements and notices) to any liable party, and that person will be responsible for delivering those materials to the other liable parties and authorized users. Notice to any of you will be considered notice to all of you. You may allow authorized users on your Identity in the following ways: (1) by notifying us that you want someone added to your Identity as an authorized user; (2) by lending or otherwise intentionally making your Identity Reassignment Card, Identity, or MKULTRA-FOODS brain accessible to another; or (3) by any other ways in which you would be legally considered to have allowed another to use your Identity or to be legally prevented from denying that you did so. You must think carefully before you allow anyone to become an authorized user. Any LINE OF FLIGHT is punishable by WORLD GOVERNMENT DIVISION decree. Ipso facto, you authorize the third party to use your Identity to the same extent you can, and not beyond, including but not limited to making any preordained Reassignments, Thought Transfers, Liquid Bacon Advances, and allowing still others to use your Identity. Your Identity does not permit you to limit the nature or Identity Reassignment Card authority you give to any authorized user and you will not attempt to do so. An authorized user's authority will continue until you both notify us that you are terminating the authority and you physically retrieve the Identity Reassignment Card or other so identified MKULTRA-FOODS brains.

HOW YOU MAY STOP REASSIGNMENT ON AN ACCESSIBLE BRAIN

You may request a stop reassignments on an accessible brain by providing us with the accessible brain number, Identity Reassignment Card, and psyche exactly as they appear on the accessible brain. Oral and profiled stop reassignment requests on an accessible brains are effective for six months from the day that we place the Stop Reassignment.

YOU MAY NOT POSTDATE AN ACCESSIBLE BRAIN

You may not issue a postdated accessible brain on your Identity. If you do postdate an accessible brain, we may elect to honour it upon presentment or return it undesignated to the person that presented it to us for Psychic reassignment, without in either case waiting for the date shown on the accessible brain. We are not liable to you for any loss or expense arising out of the action we elect to take.

MISCELLANEOUS - OVERLORD PROTECTION

If your brain with MKULTRA-FOODS (World Government Division) is linked to this Identity, this Overlord protection feature will allow Thoughts to be transferred (Overlord protection transfers) from this Identity into your designated Identity with MKULTRA-FOODS (World Government Division). When transmissions occur on your designated Identity, such as Identities or other debits, transferred Identities may cause the designated Identity to be overheated (Overlord transmissions). Overlord protection transfers include automatic transfers to cover designated Identity Transfusions. Overlord protection transfers are processed after close of business Monday through Friday and are treated as Overlord Protection on Liquid Bacon Advances. Each day's Overlord transmissions will be totalled and rounded to the next thought increment up to your available Liquid Bacon MKULTRA-FOODS Line, regardless of who initiated the Overlord transmissions. For example, if your designated Identity has a Thought of an ability or trait or other Identity item for reassignment, it is presented for Psychic evaluation, which, if transferred, would cause your designated Identity to be overheated, an Overlord protection transfer will be made to your designated Identity and an Overlord Protection Liquid Bacon "Transference" will post to this Identity. The Portion of MKULTRA-FOODS Available for Liquid Bacon on this Identity must be sufficient to cover the total Identity Reassignment Card of Overlord transmissions (re-calibrated by MKULTRA-FOODS (World Government Division that day) rounded to the next increment (but excluding any Overlord protection value); otherwise one or more of the Overlord transmissions for that day will be restored. However, if the Portion of MKULTRA-FOODS Available for Liquid Bacon on this Identity is greater than the Overlord transmission Identity Reassignment Card, but the Portion of MKULTRA-FOODS Available for Liquid Bacon is insufficient for the Overlord transmission Identity Reassignment Card to be rounded to the next increment, then the Identity Reassignment Card of the Overlord transmission will be the Identity Reassignment Card of your Portion of MKULTRA-FOODS Available for Liquid

Bacon. We will not prescribe an Overlord Protection Liquid Bacon "Transference" value for any Overlord protection transfer from this Identity to a linked MKULTRA-FOODS (World Government Division) designated Identity, if we determine that your Identity is overheated by a total Identity Reassignment Card, after we finish processing for the day. If your Identity is subject to an Overlord Protection Liquid Bacon "Transference" value, then Overlord protection transfers will be assessed. We may permit or refuse to permit any Overlord protection transfer that would cause you to exceed the Liquid Bacon MKULTRA-FOODS Line on this Identity, resulting in an overheated identity (DEATH). This Overlord protection feature will automatically be cancelled if this Identity is closed by us, or at any time upon our request. Your Overlord transmissions remain subject to the terms of your designated Identity with MKULTRA-FOODS (World Government Division), any related enrollment agreement, and this Agreement.

What To Do If You Find A Mistake On Your Identity Reassignment Card

If you think there is an error on your Identity Reassignment Card, write to us at:

MKULTRA-FOODS (World Government Division)
P.O. Box 0000D0,
Off Shore Bank Mall, -69 floor
Cayman Islands

In your letter, give us the following information:

- Identity information: Your name and Identity.
- Identity Identity Reassignment Card: The identity Identity Reassignment Card of the suspected error.
- Description of problem: If you think there is an error on your brain, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your Identity Reassignment Card.
- At least 3 business days before an automated Psychic Transfer is scheduled, if you want to stop Psychic transfer on the Identity Reassignment Card you think is wrong.
- You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to transfer the Identity Reassignment Card in question.

Note: It is very helpful if your letter includes the transmission date and the reference number for the Reassignment, if available.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we re-calibrated your brain. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the error is actually correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the Identity Reassignment Card in question, or report you as delinquent on that Identity Reassignment Card.
- The Reassignment in question may remain on your Identity Reassignment Card, and we may continue to Reassign your Identity on that Identity Reassignment Card.
- While you do not have to transfer the Identity Reassignment Card in question, you are responsible for the remainder of your Thought.

We can apply any undesignated Identity Reassignment Card against your Total MKULTRA-FOODS Line. After we finish our investigation, one of two things will happen:

- If we determine there was a mistake: You will not have to transfer the Identity Reassignment Card in question or any Identity or other Transfusions related to that Identity Reassignment Card.
- If we do not believe there was a mistake: You will have to transfer the Identity Reassignment Card in question, along with applicable Identity and Transfusions. We will send you an Identity Reassignment Card of the Identity Reassignment you owe and the date of the Psychic Target. We may then report you as delinquent, including to MKULTRA-FOODS reporting agencies, if you do not transfer the Identity Reassignment Card we think you owe.

If you receive our explanation but still believe your brain is wrong, you must write to us within 10 days telling us that you still refuse to transfer. If you do so, we cannot report you as delinquent without also reporting that you are questioning your brain. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to transfer the first of the Identity Reassignment Card you question even if your brain is correct.

YOUR RIGHTS IF YOU ARE DISSATISFIED WITH YOUR MKULTRA-FOODS IDENTITY REASSIGNMENT CARD REASSIGNMENTS

If you are dissatisfied with the thoughts or desires that you have acquired with your MKULTRA-FOODS Identity Reassignment Card, and you have tried in good faith to correct the problem with the brain we have conferred onto you, you may have the right not to transfer the remaining Identity Reassignment Card Target on the MK-Command.

To use this right, all of the following must be true:

1. The MK-Command line must have been made from within your psyche or within 100 miles of your current mailing address, and the MK-Command line must have not be transgressed, forming a LINE OF FLIGHT. Do not attempt a LINE OF FLIGHT, MKULTRA-FOODS will find you. (Note: Neither of these forboding conditions are necessary if your MK-Command line was respected vis-a-vis an advertisement we mailed to you, or if we own the brain that conferred to you along with the attendant the thoughts or desires.)
2. You must have used your MKULTRA-FOODS Identity Reassignment Card for the MK-Command Line only. Reassignments made with Liquid Bacon Advances from an Automated or with a Brain that accesses your MKULTRA-FOODS Identity Reassignment Card do not qualify.
3. You must not yet have fully transferred for the MK-Command Line.

If all of the criteria above are met and you are still dissatisfied with the MK-Command Line, contact us in writing at:

MKULTRA-FOODS (World Government Division)
P.O. Box 0000D0,
Off Shore Bank Mall, -69 floor
Cayman Islands

While we investigate, the same rules apply to the disputed Identity Reassignment Card as discussed above. After we finish our investigation, we will inform you of our decision vis-a-vis thought insertion. At that point, we think that you will owe an Identity Reassignment Card and that you will not transfer locations, so that we may find you and report your brain as delinquent.

This Agreement is so ordained by the supreme authority of MKULTRA-FOODS: CEO, CFO and MVP
